What chart patterns can you find?
After that, price is about to rise. Where will it stop?
A hint appears below and answers on the next page.

Hint. Look for the following chart patterns (If you find others, great!): 2 broadening tops, 3 triangles, double top.
The blue lines show overhead resistance, The green lines show support. I drew the lines from the peaks and valleys to the right of the red line, backward to the left.

This is the weekly scale. Price is about to turn down. Where will it stop? The answer is below.

The inverted roof is a new chart pattern, rarely seen, but this is a good looking one on the weekly scale. The green lines are the support zones, extended from the valleys right of the red line back to the left. Generally, the peaks support price.
